

Dear Partners and Friends

As imagining the time you read this, we are so thankful for all goodness and faithfulness of God throughout the year. Also, we are grateful for your continued support and prayers for our mission together. Around this time, we always take a moment to reflect what He has done through us over the year and then are amazed by Him. Of course, there is no exception this year. Let's have a look at the list below:

- Through **OpenDoors**, we have been standing with persecuted brothers and sisters in monthly financial support and prayers. We wrote to local MPs to draw their attentions to the global issues such as the Voice for globally vulnerable children and women, an anti-abortion campaign, 50 countries [persecution-ranked] world watch list, collecting and sending signed petitions for 'Africa Arise' and 'Stop the Violence.'
 - For **Antioch Mission in Egypt**, we have been praying and financially supported Egyptian believers. This ministry is flourishing so much despite intense persecutions, insufficient resources and financial challenges.
 - We have monthly supported **the children's ministry** among Farsi speaking community in Germany. Our missionary friend from Taiwan has been faithfully serving them despite her on-going lung tumour treatment.
- 

- 
- We provided **a missionary family in Kenya** with a one-time financial support for their essential needs although we originally intended to contribute to 'Holy Fire Conference', equipping local Kenyan Pastors.
 - We provided **Celebration For the Nation** with a one-time gift in the process of preparation this summer. As we were told from Gail Dixon (the founder of CFTN and the director of the *Nations*), it was their prayer answer and the *Celebration* happened in Wales as planned. We saw many came for the worship gathering (more than a double number of the previous year), and several are healed, saved and delivered during the time.
 - We blessed **an Afghan family** who was expecting their second baby in November with a baby cot and a mattress protector.
 - Hana wrote her fifth book, ***The Nature of Dreams from a Christian Perspective*** and published it which is available at *Amazon*.

As remembering the reason for the season and celebrating the birth of our Lord and Saviour, may the true meaning of Christmas fill your heart with love, joy, and hope for the future. May His peace fill your heart and home, and light brighten your path this Christmas season! May the blessings of the Lord be upon you and your family always!

Finally, we truly thank God for you, your gift and your beautiful and generous heart. With one mind and one heart let us do good works more for His great name's sake until He returns. With much love and blessings,

Hana and the Nehemiah 9.3 Mission team
